## Rules, Rules, Rules...

Who needs them? Fortunately, we only have a few rules of our own. They are very simple. Follow the basic premises of kindness and consideration for others. Most importantly, be mindful of the safety of you and of our guests.

For example, if you do all the things your mother told you to do or that your mother should have told you, then you will do quite well at our park. However, if you (or your animals and/or visitors) are out of line, we will let you know, and we encourage your neighbors to let us know. There won't be any timeout; we will kindly ask you to leave the park.

### ABUSE OF THE FOLLOWING 2 ITEMS WILL RESULT IN AN INVITATION TO LEAVE THE PARK!

Putting you or your neighbors in danger in any way, for example, **SPEEDING**.

Allowing your dogs, children, or visitors to run loose or failing to contain their messes or excessive barking.

Other than that, exhibit common courtesies to everyone, enjoy yourself, your neighbors, your friends, historic St. Augustine, and have fun.

We hope that you enjoy your time with us and thank you kindly for your considerations in advance.

## GUIDELINES

The following Guidelines have been established to maintain a high standard of safety, cleanliness and maintenance within COMPASS RV PARK with a GOOD NEIGHBOR POLICY in mind. Since every contingency may not be covered in such a set of policies, we may choose to modify our policies as may be necessary. ## WI-FI POLICY and INSTRUCTIONS

A state of the art WIFI system will distribute our available bandwidth throughout the park.

If you are a CASUAL USER, one who sends and receives nominal emails (less than a few MBs each, surfs the web, or downloads short video clips or news releases), you will find that our 250 MBs of FREE bandwidth will be adequate. Close your browser or your computer to avoid unnecessary bandwidth usage.

If you require more bandwidth and speed, in order to download Netflix, large files or other bandwidth intensive data, you will need to sign up for our PREMIUM WIFI service that has very competitive daily and weekly rates.
